**Commentary**

KSE 100 index stood at 8676 points which is 955 points (12.37%) above the close in July 2009.

The rise in the index was contributed by the oil and gas exploration sector led by recent oil and gas discoveries. In addition the improvements in sovereign ratings has revived foreign interest in the Pakistani market. As a result net foreign portfolio inflow of US \$ 95 mn was recorded during the month.

As a result of this rally in stock market, the aggressive fund registered an increase of 3.84% on a Month on Month basis.

Since last month Kibor rates have increased by 57 bps to 12.56% where as the SBP reduced the discount rate by 100 bps to 13%.

The SBP also announced the auction of fourth Ijara Sukuk with a target of Rs 10 Billion during the month. During the month there has been an increase in the Sukuk portfolio of Balanced fund with further investments in Engro Sukuk.
