

Boiler & Pressure Vessel

Boiler Takaful (Boiler cover) is a type of Takaful that covers repairs and in some cases the replacement of a home boiler. It can also cover other parts of the central heating system and even plumbing and electrics.

Coverage(s);

Damage (other than by fire) to any boiler or pressure vessel described in the Schedule and to other property of the Insured. Liability of the Insured at law on account of fatal or non-fatal injuries to any persons other than the Insured's own employees or workmen or members of the Insured's family, caused by and solely due to explosion or collapse as hereinafter defined of any boiler or pressure vessel.
